

2024 Annual Meeting: 1-3 July Wales

New for 2024

We have updated our submission categories

How to submit an abstract

- Create an Oxford Abstracts account or log in if one already exists.
- Create a new abstract.
The **maximum** number of words for the title is **50**. The **maximum** number of words for the abstract text is **250** (excluding the title and authors).
- **You are permitted to submit an abstract that will be presented at another national/international meeting either prior to or after the Association of Coloproctology of GB & Ireland 2024 meeting.**
- Abstracts of papers and posters presented at the meeting will be published online in *Colorectal Disease* journal after the meeting. If an accepted paper or poster is not presented at the meeting, it will be withdrawn from publication.
- When submitting the names of authors put **the initials** in the field labelled "First Name".
- A "blind" reviewing process will be used. Do not include identifying features such as names of authors, hospitals, medical schools, clinics or cities in the title or text of the abstract. The names of authors and their affiliations (institutions) will be submitted on-line in a separate section.
- Abstracts should state briefly and clearly the purpose, methods, results and conclusions of the work.
- When you submit your abstract select a category from the following 15 categories.
- Indicate your preferred presentation mode. Oral only; oral or poster; poster only. For videos, select Video.
- Answer if the first author is a trainee, student or nurse/AHP.
- When you have completed a submission, you will receive email confirmation with the reference number of your abstract.
