# SAVE THE DATE

## 3<sup>rd</sup> June 2015

### First UK Clinical Trials Conference for Supportive Care in Cancer Research

**Date:** Wednesday 3rd June 2015

**Time:** 09:30 – 16:45 (Arrival from 08:45)

**Venue:** The Edge, Sheffield

#### Format includes keynotes, workshops and a dragon's den session:

- Dr John Staffurth (Cardiff University School of Medicine), “***How advances in radiotherapy can reduce late pelvic effects***”
- Dr Jo Armes (King's College London) focussed on survivorship research (***Title TBC***).

#### **Aim of conference:**

To promote supportive care research at all stages of cancer

#### **Specific objectives:**

1. To review NCRI supportive and palliative care trials portfolio
2. To facilitate interaction with other NCRI groups
3. To bring the activities of the NCRI to a wide audience

#### **Target audience:**

Researchers, supportive and palliative care professionals, patient and carer representatives, research funding organisations and oncologists.

#### **Fees:**

**Professionals Consultant Level - £100**

**Professionals Non-Consultant Level - £50**

**Patient/Carer Representative - Free**
