The scientific programme consists of exciting content, kicking off on Monday 19 June with the **Gastroenterology Masterclass**, which will host world renowned speakers from the UK and abroad providing cutting-edge updates and interactive sessions on **“Dealing with Gastroenterology Dilemmas”**. The main scientific programme (Tuesday 20 June – Thursday 22 June) will include basic and clinical science symposia, state-of-the-art lectures, clinical updates, moderated poster rounds and the industry exhibition.

## Endoscopy Village - New for 2017!

In the exhibition area there will be a hands-on endoscopy village where you will be able to practice your skills on pig models, watch demonstrations, try out new technologies and discuss with experts how to perfect your technique.
