ADVANCED EMERGENCY TRAUMA SURGERY COURSE

24-25 September 2018

NEWCASTLE SURGICAL TRAINING CENTRE FREEMAN HOSPITAL

This course is a two day hands on practical cadaveric workshop for surgeons, military or civilians who are relatively inexperienced in trauma but may be required to perform surgery on patients suffering traumatic injuries under pressure in a trauma and emergency environment.

Newcastle Surgical Training Centre delivers over 170 advanced training courses from regional, national and international surgeons representing multi specialties. Collaboration with national and international faculty drives a greater understanding of surgical techniques delivering improved patient care.

Please note: The course fee will include lunch and refreshments. Payment can be made via BACS (automatic bank transfer) by credit card, or by cheque, payable to Newcastle upon Tyne Hospitals NHS Trust. Full details and registration information can be found at www.nstcsurg.org Please note, payment is due at registration to secure your place and attendance on the course is conditional upon advance payment being received. Refunds cannot be given in the event of your cancellation within two weeks of the course date. NSTC cannot accept liability for costs incurred in the event of a course having to be cancelled as a result of circumstances beyond its reasonable control. There is an administration charge of 10% (or £50, whichever is greater) of the total course fee. However, within four weeks prior to the start date of the course, the total course fee will be charged unless in exceptional circumstances at the discretion of the NSTC. While we make every effort to run courses as advertised, we reserve the right to change the timetable and/or the teaching staff without prior notice and to cancel any courses without liability (in which case there will be a full refund of course fees to participant). Note that any consequential losses (e.g. travel or accommodation costs) incurred in such cases remain the responsibility of the booker, and consideration should be made to taking out appropriate travel insurance for any non-refundable costs.
