

COLORECTAL DISEASES MASTERCLASS (M25)

13th to 15th March 2019 at Pelican Cancer Foundation, Basingstoke

This will be the 18th masterclass led by Mr John Stebbing and Mr Muti Abulafi

An exceptional 3 day meeting covering all areas of colorectal disease including:
Colorectal Cancer - Early diagnosis and prevention, Treatment and management, Advanced Disease;
Emergency Colorectal; Proctology; IBD; Critical Care; Managing complications; Functional Disorder

Feedback from 2017

'An excellent overall review of colorectal surgery, thoroughly enjoyable and inspirational'

'I think it is an excellent course - every colorectal trainee should do it'

Fees start at £225 for the whole course, with catering. We can organise accommodation and course dinner (+£240)
