## **ACPGBI Chapter Update**

Date: Oct 18

Chapter: North West

Chapter Representative: Arnab Bhowmick

## **General update**

- Regional reconfiguration of colorectal and emergency services continues across Central, South and North Manchester. Details are still being elucidated as to how the models will work.
- A meeting is planned with the North West HST TPD to get final agreement on colorectal training tracks for the North West deanery

## **Upcoming/ future plans**

- There will be a collaborative chapter meeting on November 13<sup>th</sup> 2018. This is a collaboration with NHS innovations and AUGIS North West Chapter. The full day programme will focus on emergency surgery and launch a new emergency laparotomy pathway. The event will take place at the University of Bolton Stadium, Wanderers suite.
