Join us for the 2019 BASO Annual Scientific Meeting at the prestigious venue of The Law Society in London.

Our guest speakers include Prof Lord Ajay Kakkar, Presidents of the Royal Colleges, Prof Ava Kwong, Miss Asha Senapati, Prof Dion Morton, Prof Tim Underwood, Prof Richard Sullivan and many more.

This year our meeting is also open to all those trainees, consultants, allied healthcare professionals, nurses and medical students who wish to gain an insight in how to advance their surgical careers. We have some exciting tracks lined up for non-cancer surgeons.

There will be symposia, innovative 'in-conversation' style sessions, our prestigious plenary awards orations, an audience with the Presidents of the Royal Colleges of Surgeons, speed-mentoring, surgical trial showcase and educational sessions.

The meeting is designed to provide a unique environment for interdisciplinary learning and cross-fertilisation of ideas, by bringing together delegates from all cancer disciplines and offering excellent networking opportunities. We look forward to welcoming you to the 2019 BASO Annual Scientific Meeting.
