

Are you a researcher who would like to develop PPI within your research proposal?

Would you like to be able to discuss your research proposal with patients living with IBD?

We are holding an IBD Patient Involvement in Research Day on Saturday 7th September 2019

Venue: Chetham's School of Music, Manchester

To find out more email:
research@crohnsandcolitis.org.uk

Event organisers: Kapil Sahnun, St Mark's Hospital, Mark Samaan, University College Hospital, and Sue Blackwell, ACPGBI Patient Liaison Group
