

2020 Virtual UK Oncology Forum

A Special Invitation

Date: Thu 24th & Fri 25th September 2020
Venue: VIRTUAL ON LINE MEETING
Registration: Registration open now!
Website: www.oncology-forum.co.uk

The UK Oncology Forum Faculty is delighted to announce that the 2020 UK Oncology Forum will take place in a Virtual Setting. The meeting remains FREE to all UK cancer HCPs and is CME accredited. The ACP, BASO, BCTRCG, BOPA, NOTCH, Macmillan GP, SABR UKONS, UKOMiC, CCA-UK and The Coronavirus Cancer Monitoring Project are collaborating with us and some are holding Fringe Meetings that might be of interest to our delegates. Post ASCO & ESMO highlights will feature along with a dedicated Question Time session for Covid-19 and its impact on UK cancer treatment and services.

Please register your attendance as soon as possible places are limited. We have a first class educational programme for 2020, with leading expert speakers from across the globe. The Faculty politely request that you apply for 2 days of study leave and attend the whole meeting. There can also be "Firewall" difficulties with Trusts and on-line meeting platforms. The site we
