

27 SEPTEMBER 2022
6.30 PM TO 7.30 PM

WHY IMG/SAS ISSUES ARE EDI ISSUES?

Differential Attainment & Progression through Surgical Training

Charlie Barter - Surgical Research Fellow, Royal Derby Hospital

Training is not the main hurdle: Non-technical survival skills for SAS doctors

Khizar Khan - Colorectal Consultant at University Hospital North
Durham

Provides regional support in North East for IMGs and SAS who want to pursue a career in surgery

My journey from IMG/SAS to Consultant

Mahmoud Abdel-Dayem - Colorectal Consultant at Royal Glamorgan
Hospital, Wales.

Organises and runs national CESR courses
