Cadaveric Pelvic Exenteration Course

Expert-led, hands-on training in advanced pelvic oncology surgery.

Designed for experienced surgeons and senior trainees, this intensive course offers a rare opportunity to deepen your understanding and surgical skills in pelvic exenteration.

Delivered by world-leading experts, the course combines virtual theory with practical cadaveric sessions, focusing on complex procedures across colorectal, gynaecological, urological oncology and plastic reconstruction of perineum.

Course Schedule

Virtual Online Theory Session

Thursday 8th January 2026, 18:30 – 20:30 GMT.

In-Person Cadaveric Workshop

Friday 16th January 2026, 08:30 – 17:00 GMT.

Manchester Surgical Skills and Simulation Centre,
University of Manchester.

Fees:

- UK Fees: £1,000 per day
- International Fees: £1,500 per day
- A discount of £200 will be applied to those booking two days.

Observership Rate Day of £275 (no discount applicable for observers).

CPD Accreditation:

Accredited by the Royal College of Surgeons of Edinburgh (RCSEd) and European society of surgical oncology (ESSO) (6 points).

What Will You Learn?

This highly focused and specialised hands-on cadaveric course will cover the key steps and principles involved in pelvic exenteration procedures in colorectal surgery, gynae-oncology, and urology:

Key surgical techniques covered include:

- Establishing the total mesorectal excision (TME) plane
- Identification and preservation of ureters
- Anterior and lateral mobilisation of the urinary bladder
- Incision through endopelvic fascia
- Management of the dorsal vein complex
- Identification of side wall vasculature
- Identification of the obturator canal
- Extended lymphadenectomy
- Sacrectomy
- Extralevator abdominoperineal excision (ELAPE)
- Omentoplasty
- Mesh and flap reconstruction

Who Should Attend?

This course is ideal for:

- Consultant Colorectal Surgeons
- Consultant Oncological Surgeons
- Consultant Urological Surgeons
- Consultant Gynaecological Surgeons
- Senior Clinical Fellows in Colorectal, Gynaecological, Urological and Oncological Surgery (Speciality trainee 7 and above)

Why Choose This Course?

- **High tutor-to-delegate ratio:** Ensures personalised guidance and support
- **Use of fresh frozen cadavers:** Provides realistic surgical experience
- **World-renowned faculty:** Learn from global experts in the field
- **Interactive hands-on workshops:** Enhance practical skills in a supportive environment
- **Real clinical scenarios:** For discussion
- **Practical demonstration:** Tips and tricks discussion and supervised practice

The Christie Cadaveric Courses:

Hands-on Pelvic Exenteration Course

Virtual Session Programme

Date and Time

8th January 2026, 18:30-20:30 Hours GMT

Introduction and Objective Setting

Mr Paul Sutton

Pelvic Anatomy

Professor Ingrid Gouldsbrough

Pelvic Exenteration: Colorectal (Principles)

Miss Rachel Clifford

Pelvic Exenteration: Gynae (Principles)

Mr Brett Winter Roach

Pelvic Exenteration: Urology (Principles)

Mr Jeremy Oates

Cross-sectional imaging and pre-op planning

Dr Rohit Kochhar

Cadaver Session Hands on Training Programme

Date

16th January 2026

Registration

08:30-09:00 Hours GMT

Morning Session

Session 1 - MDT

Ms Rachel Connolly / Mr Rohit Kochhar

Session 2 - Axial and anterior compartments (including hysterectomy)

Mr Jonathan Wild / Mr Brett Winter Roach /
Mr Jeremy Oates

Session 3 - Lateral compartment (including lymphadenectomy)

Mr Jeremy Oates / Mr CR Selvasekar

Afternoon Session

Session 4 - Posterior compartment (including sacrectomy)

Mr Paul Sutton / Mr Hamish Clouston

Session 5 - Inferior compartment (including perineal urethrectomy, interlabial dissection, pubic bone) Mr

Paul Sutton / Mr Jeremy Oates

Session 6 - Perineal reconstruction

Mr Deemesh Oudit / Miss Lorena
Martin Roman

Faculty

Mr Paul Sutton

Consultant Colorectal Surgeon, CPOC,
The Christie NHS Foundation Trust, Manchester

Mr CR Selvasekar

Consultant Colorectal Surgeon, CPOC,
The Christie NHS Foundation Trust, Manchester

Mr Jeremy Oates

Consultant Urologist, The Christie NHS
Foundation Trust, Manchester

Miss Lorena Martin Roman

Consultant Colorectal Surgeon, CPOC,
The Christie NHS Foundation Trust, Manchester

Miss Rachel Clifford

Consultant Colorectal Surgeon, CPOC,
The Christie NHS Foundation Trust, Manchester

Mr Jonathan Wild

Consultant Colorectal Surgeon, CPOC,
The Christie NHS Foundation Trust, Manchester

Mr Hamish Clouston

Consultant Colorectal Surgeon, CPOC,
The Christie NHS Foundation Trust, Manchester

Ms Rebecca Fish

Consultant Colorectal Surgeon, CPOC,
The Christie NHS Foundation Trust, Manchester

Mr Brett Winter Roache

Consultant Gynaecologist,
The Christie NHS Trust, Manchester

Professor Ingrid Gouldsbrough

Department of Anatomy, UoM

Mr Rahul Deemesh Oudit

Consultant Plastic Surgeon,
The Christie NHS Foundation Trust, Manchester

Dr Rohit Kochhar

Consultant Radiologist, The Christie NHS
Foundation Trust, Manchester

Ms Rachel Connolly

CNS, CPOC, The Christie NHS Foundation Trust,
Manchester

Mr Aseem Jindal

Colorectal Fellow, CPOC, The Christie NHS
Foundation Trust, Manchester

Mr Prateek Arora

Colorectal Fellow, CPOC, The Christie NHS
Foundation Trust, Manchester
