

4th International Controversies in Rectal Cancer Conference

**Wednesday 14th & Thursday 15th September 2016
Colchester, UK**

Come and listen to a star-studded international faculty address the current issues in early and late rectal cancer management, debates with audience voting on outcome data, Trans-anal TME and high-risk rectal cancer. Watch a dream team run an MDT, hear talks on the 'things we never talk about' and take a view into the future.

EARLY BIRD RATES AVAILABLE UNTIL 1ST AUGUST
