- Focus on the abdominal wall
Dear Colleagues

We are delighted to invite you to ESCP’s 13th Scientific and Annual meeting in the wonderful city of Nice.

As the capital of the French Riviera, Nice enjoys the enviable reputation of being a cosmopolitan, multi-faceted destination with year-round sunshine. Known as Nice la Belle (Nice the Beautiful), the city boasts a wealth of history and culture, a vibrant and picturesque Old Town with impressive architecture, excellent meetings and conference facilities and a host of highly acclaimed restaurants.

The city is popular for its ease of access and Nice Côte d’Azur International Airport, the 2nd largest in France, offers direct service to 90 destinations in more than 40 countries. We will be meeting at the Acropolis Convention Centre, located in the heart of Nice, just 7km from the airport and within easy reach of many city centre hotels.

We hope that you will book 26-28 September 2018 in your diary and we look forward to welcoming you to Nice!
